## NETSURE ADVISORS ARE COMMITTED TO THE IDEAL OF EXCELLENCE

### ABOUT OUR COMPANY

The Netsure Group is a group of dynamic financial services companies that were established in 2010 as a full-fledged financial services company. The company was borne out of a desire to build an innovative, service-orientated company that provides reputable financial planning solutions for its customers that are built around to meet the customer's present and future financial goals. Our extensive experience of successfully providing turn-key solutions to our customers coupled with our extensive industry knowledge, strong management involvement and sound methodologies have seen Netsure grow in stature as a professional, integrity based-company that guarantees results.

### OUR SERVICES

At Netsure we go to great lengths to understand our customer's requirements and we design solutions that deliver real benefits that help customers achieve their financial goals. We aim to create partnerships with our clients and to support them in whatever way might be most efficient to ensure that their financial needs are met. We will support our clients and do this in a time frame that fits in with their planning, needs and budget. Our comprehensive range of services includes but is not limited to:

- Personal Financial Planning
- Investment Planning
- Savings Planning
- Retirement Planning
- Estate Planning
- Education Planning

- Life Cover
- Disability Cover
- Income Protection
- Severe Illness Cover
- Short Term Insurance
- Medical Aids & Gap Cover

- Pension Funds
- Provident Funds
- Group Schemes
- Employee Benefits
- Unit Trusts
- Wills and Trusts

## OUR UNDERTAKING

Netsure is committed to the ideal of excellence. This commitment has resulted in the careful selection of its employees and the thorough quality assuring of every solution that it commissions. Excellence, we believe, will take us to the pinnacle of the financial solutions industry in South Africa.

## OUR PEOPLE

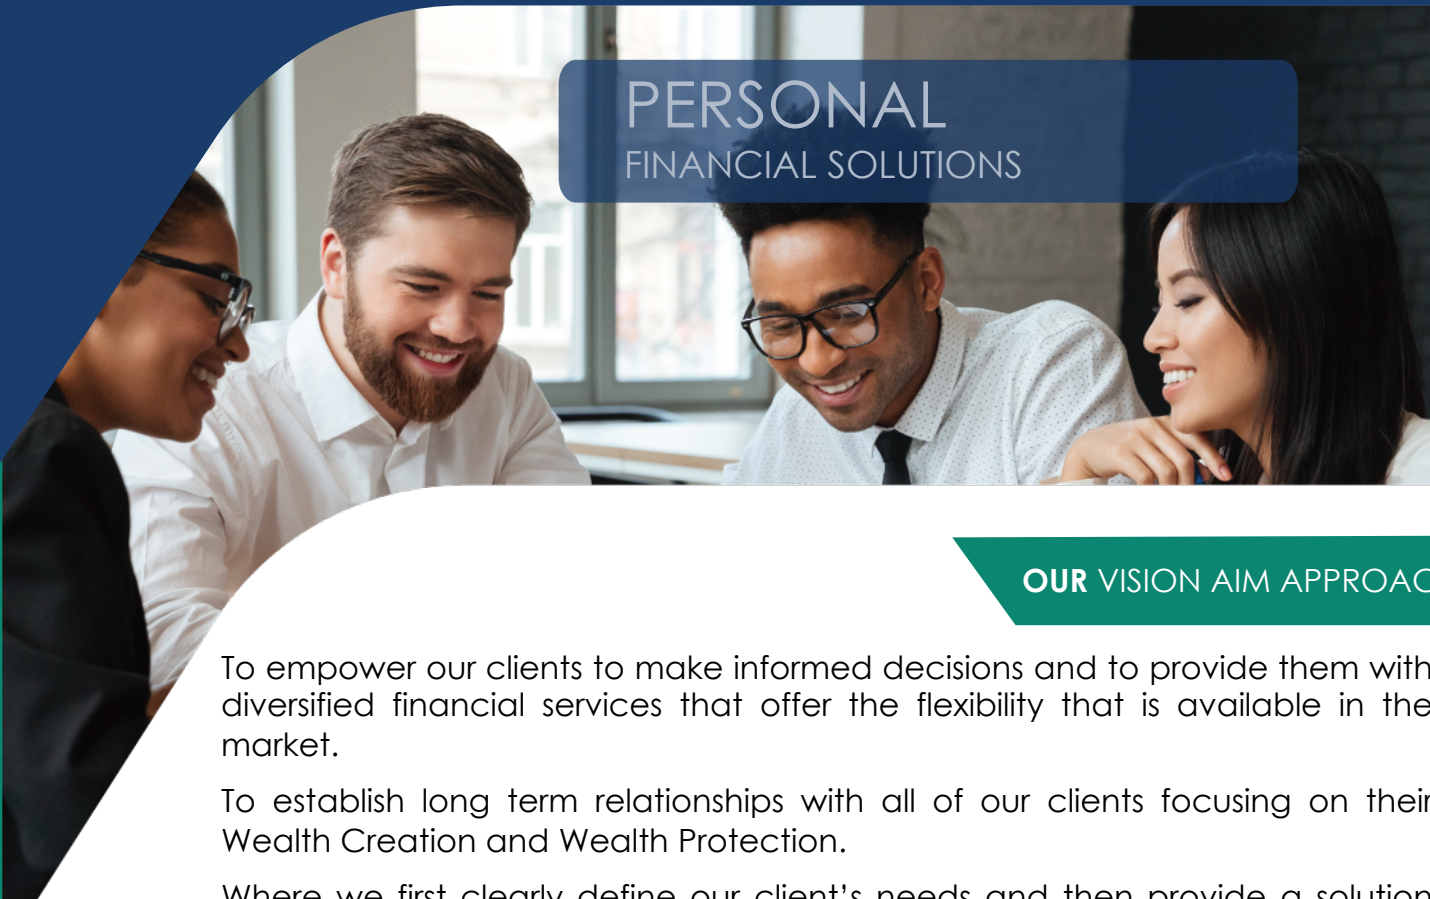

People are Netsure's most important asset and are thus high on our strategic agenda. Our team comprises financial planners, medical aid specialists, short term specialists and administrative staff. We are committed to investing in the individual development of our employees by providing training opportunities that will enhance job skills and maximise job performance in a diverse environment. Our remuneration practices are fair and equitable and in line with market forces and are continuously benchmarked in order to ensure that Netsure remains competitive.

## OUR EXPERIENCE

All Netsure advisers are qualified financial planners are accredited with the Financial Planning Institute and Financial Intermediaries Association of South Africa. Collectively the company boasts more than 240 years financial planning experience.

## OUR ACCREDITATIONS

Netsure holds contracts and is proud to be associated with all major insurers (long and short term), we are also associated with the major medical aids. Netsure is a licensed financial services provider and holds accreditation with the Council for Medical Schemes. All consultants are registered with the Financial Services Board as representatives under the Netsure License.

## PERSONAL FINANCIAL SOLUTIONS

### OUR VISION AIM APPROACH

To empower our clients to make informed decisions and to provide them with diversified financial services that offer the flexibility that is available in the market.

To establish long term relationships with all of our clients focusing on their Wealth Creation and Wealth Protection.

Where we first clearly define our client's needs and then provide a solution whereby, we implement a sound strategy that is agreed upon and reviewed to keep it current.

For both individuals & companies looking to reach their financial goals, who want to create or protect their wealth, who are interested & serious about their finances & aim to achieve Financial Freedom

We offer complete Financial Needs Analysis/Planning & Recommendations as well as a comprehensive Financial Review annually, therefore all financial plans & protections stay up to date & adequate to your needs

Creating a financial plan helps you see the big picture and set long & short-term life goals, a crucial step in mapping out your financial future
